WHO NEEDS TO FILE THIS FORM? Once an organization has made political contributions or expenditures or incurred liabilities to support candidates or political committees in excess of the "incidental threshold" (i.e., \$15,000 or 10% of such organization's gross revenues for the previous year, whichever is less), a duly qualified officer must file this report. The report must disclose all contributions and expenditures made and liabilities incurred during the calendar year. The obligation to file a report continues for each year thereafter until the year after a year in which the incidental threshold is not reached.

WHERE SHOULD THIS FORM BE FILED?

State and County Candidates or Committees: If contributions or expenditures are made to support or oppose state or county candidates or committees this form should be filed with OCPF.

Municipal Candidates or Committees: If contributions or expenditures are made to support or oppose municipal candidates or committees this form should be filed with the city or town clerk or election commission.
